

Mine Action in Nagorno Karabakh

MASG October 2022

The contamination

Impact

- War still impacting civilian lives
- 15,000 IDPs
- Land pressure and returnees
- Humanitarian clearance

Mine action structures

In-country

- CHD FUND, Russian Peacekeepers, The HALO Trust
- Rescue Service
- Security Council

Donors

- US Government – PM/WRA
- Norwegian Government
- Private/anonymous

Challenges

General

- Access constraints
- Increased cost of living
- Stability of funding

Operational

- Lack of mine action framework
- Shortage of explosives and detonators
- Security and safety close to the border

Plans and priorities

Thank you
