

**Humanitarian Mine Action of**

**I.R. of Iran**

**Int'l Training Complex**

**Section 2**

## Contents:

- IRMAC's Mission for Promoting HMA Knowledge in Iran
- About IRMAC's Int'l Training Complex on HMA
- Capacities and Facilities
- IRMAC's Int'l Training complex on HMA: A developmental Approach to Increase Technical and Human Capacities

## IRMAC's Mission for Promoting HMA Knowledge in Iran

- The Role of HMA Training for:
  - Raising HMA Knowledge
  - Reducing incidents of Landmines and ERWs
- Training as a Called Mission out by the Government of I.R. of Iran
- Initial Activities

## About IRMAC's Int'l Training Complex on HMA

- Establishment
- VISION
- OBJECTIVES
- Scientific Groups

## IRMAC's Int'l Training Complex on HMA: Capacities and Facilities

### Dormitory

## IRMAC's Int'l Training Complex on HMA: Capacities and Facilities

Specialized Training Classes:

MRE, Landmines, ERWs, Clearance Equipment,  
and Mines and ERWs disposal

# IRMAC's Int'l Training Complex on HMA: Capacities and Facilities

## Simulated Workup Minefields

# IRMAC's Int'l Training Complex on HMA: Capacities and Facilities

## Metal Detectors Testing and Evaluation Fields

Guide for the Detection Test Blocks  
 of Metal Targets Buried in the Soil

راهنمای بلوک های آزمون کشف  
 اهداف فلزی مدفون در خاک

A1	CloseTargets & Detection DepthTest / Sandy Soil آزمون همجواری و عمق کشف / خاک ماسه ای
A2	CloseTargets & Detection DepthTest / Clay Soil آزمون همجواری و عمق کشف / خاک رسی
A3	CloseTargets & Detection DepthTest / Mixed Soil آزمون همجواری و عمق کشف / خاک مخلوط
B	Pure Clay soil خاک رسی خالص
C	6% Purity Laterite Soil خاک لاتریتی دارای خلوص ۶ درصد
D	1% Purity Graphite Soil خاک گرافیتی دارای خلوص ۱ درصد
E	7% Purity Salty Soil خاک نمکی دارای خلوص ۷ درصد
F	Deep Search جستجوی عمیق

## Clearance Mechanized Machines Testing and Evaluation Fields

نمای شماتیک میدان آزمون و ارزیابی ماشین آلات مین زدایی  
 Schematic View of Testing and Evaluation Field of Demining Machines

L 1-1 L 2-1 L 2-4 L 3-1  
 معابر آزمون با اهداف هم تراز سطح زمین  
**Test Lanes Containing Targets Flush with the Surface**

L 1-2 L 2-2 L 2-5 L 3-2  
 معابر آزمون دارای اهداف مدفون در عمق ۱۰ سانتی متری خاک  
**Test Lanes Containing Buried Targets at the Depth of 10 cm**

L 1-3 L 2-3 L 2-6 L 3-3  
 معابر آزمون دارای اهداف مدفون  
 در عمق ادعایی سازنده یا عمق پاکسازی ملی  
**Test Lanes Containing Buried Targets at the Depth  
 Claimed by the Manufacturer or National Clearance Standard**

### Legend

- Ramp رَمپ
- Topsoil زمین با خاک مخلوط
- Sandy Soil زمین شنی
- Gravel Soil زمین ماسه ای
- Machines Location محل استقرار ماشین
- Access Route مسیر دسترسی
- Pre-Test Location محل اجرای پیش آزمون

## **IRMAC's Int'l Training complex on HMA: A developmental Approach to Increase Technical and Human Capacities**

- 30 Years Experience in Mine Action
- I.R. of Iran's Technical and Scientific Experiences on HMA
- Humanitarian Approach to Remove Landmines and ERWs Hazards
- An Integrated Scientific Base to Promote the HMA knowledge in Iran
- Joint Cooperation in Regional and International Levels

**Wishing Sustainable Peace  
and a World Free of Mine**
