UNMAS Iraq

**Launched operations in 2016 under
UNSCR 2470**

**Enabling IDPs returns, humanitarian,
development and stabilization activities**

**Supporting NMAAs on gender and
protection mainstreaming**

Why diversity and gender matter?

**Explosives
do not
discriminate
but
programming
does**

- Participation and empowerment of affected populations enable meaningful access to a service.
- Both an internal and external approach is required to make it work.

Supporting NMAAs
