Every effort to share information and unify the community is a step forward, presenters were great, platform is awesome, coaching session at the start of the day was perfect.

Thanks UNMAS for the great organisation and technical mastery of this complex meeting. The various formats make it more engaging and interesting than the average virtual meeting!

Thank you Germany!

I am very grateful to be able to participate, I hope this [online] modality will be maintained because it allows you to continue the routine and participate at the same time.

Visit Trello board for more #NDMUN24 visual assets here.
The mine action community doesn't only deal with technical questions, working for a free of landmines, it seeks to deliver a concrete human-rights-based approach. Great experience having co-hosted #NDMUN24 with @UNMAS, Sibylle Katharina Sorg delivered final remarks for.

Persistence, partnership, & progress describe what I witness of the #mineaction community. In the face of today's challenges, it is critical that we continue to maximize opportunities & invest in capacities that respond to existing & evolving forms of explosive threats. #NDMUN24

Thank you so much, the organizing board, for having us in this event. Many thanks given to the speakers in the 1st session.

Staying the Course: Mine Action Financing in Times of Scarcity

Thank you so much, the organizing board, for having us in this event. Many thanks given to the speakers in the 1st session.

Novel Approaches in Mine Action

Thanks panelists!

Community Engagement Matters

It was an amazing session about the community engagement

Localizing Mine Action: How to Improve

Thanks for an excellent session. Great to see participation/presentations from colleagues in Yemen, Western Sahara, South Sudan and DRC and excellent chairing of the event, Maitre Sudi!

Capacity Development: Opportunities and Impact

Excellent plenary session. Thanks to organizers, GICHD and all the participants

Inclusion and Diversity: Racial Equity in Mine Action

Congratulations to all for the excellent organization of this meeting and to put on the agenda for the first time this hidden reality: Inclusion and Diversity: Racial Equity in Mine Action. Financing should depend on the progress in that regards.
