

**Logistics note for the 25th International Meeting of National Mine Action Programme
Directors and United Nations Advisers (NDM-UN25)
23-24 June 2022**

Updated 18 June 2022

I. General information

This year's event will be held at the World Intellectual Property Organization (WIPO) in Geneva. The WIPO is situated close to the Palais de Nations.

Address:

World Intellectual Property Organization
34, Chemin des Colombettes
CH-1211 Geneva 20, Switzerland

II. Registering in Indico

All participants to the Conference must register on the UN Office at Geneva Online System: Indico. The platform provides organizers a comprehensive list of registered participants – which greatly helps us in terms of logistics.

To start the process, please go to the Indico registration page:

<https://indico.un.org/event/1000778/registrations/7379/>

- Participants registering for the first time will need to upload passport details and a passport-quality photo. If the requested documents are not attached, the system will reject the application.
- Participants who have already registered for a previous meeting at UNOG, can simply log in to their existing account in Indico and register for the NDM-UN25 following the event page:
<https://indico.un.org/event/1000778/>

Once you created an account, register for the meeting. Once you do that, UNMAS will be notified about pending registration request and someone will approve it. You will then receive an email confirming approval of your registration

III. Registering on the day

Due to the more compact, two-day conference this year, participants are requested to note that there is a shorter period on 23 Thursday morning to collect the badges from 8 AM to 9.45 AM. This can create a line, so we ask participants to arrive early and be prepared to queue for a short period of time. The opening ceremony starts at 10 AM in the WIPO Conference Hall.

For security reasons, kindly note that your conference badge must be worn and visible to WIPO and conference staff at all times while on location.

IV. Directions: Reaching the WIPO

To reach NDM-UN25, please go to the WIPO Access Center located on the north side of the WIPO AB Building. Access for persons with reduced mobility is available throughout WIPO premises. Guide-dogs for the visually-impaired are allowed.

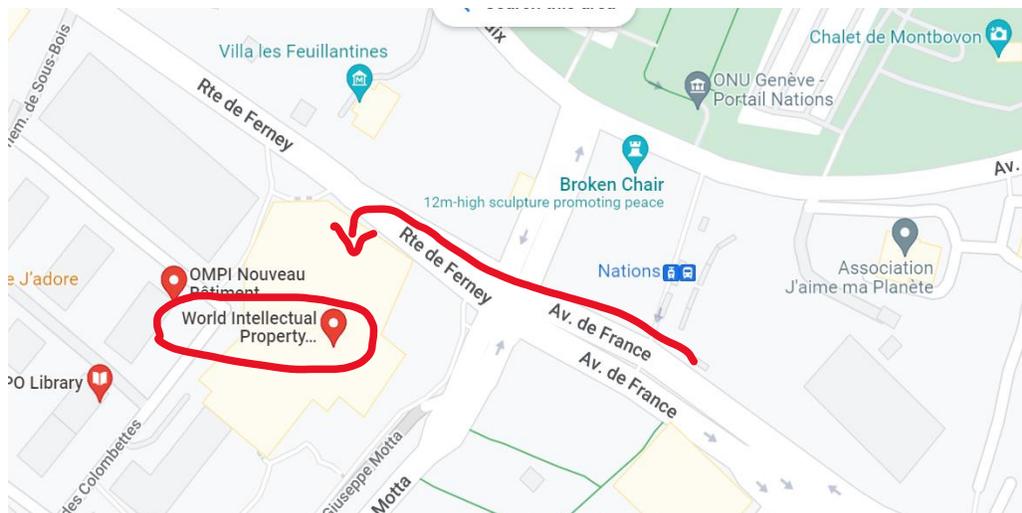

By taxi:

If you are coming to WIPO directly from the airport by taxi, ask to be driven to WIPO at 34, Chemin des Colombettes, Geneva 20, 1211. From the airport, it takes about 10 minutes and costs about 30 CHF. If you are taking an Uber, you may write 'WIPO' as the destination point.

By bus:

Geneva is a small city and public transportation works very well. You may find schedules and more information at <http://tpg.ch> (they do not have a full English version of the website but it can be Google translated, and they have a smartphone application as well called 'tpg' with live information on departures).

The most convenient way to access the WIPO is to go to the "Intercontinental" or "UIT" bus stops, they are located very close to the WIPO. Alternatively, you can choose to stop at 'NATIONS', as it is well-connected to the public transport network. The Tramway 15, and Bus 5, Bus 8, Bus 11, Bus 20, Bus 22, Bus 28 and Bus F stop at 'NATIONS' which is located about 3-5 minutes by foot from the WIPO.

Nota Bene: When you stay in a hotel, you will receive a **'Geneva Transport Card' free of charge**. With this card, public transport in Geneva is free for the full duration of your stay. This personal and non-transferable card will be given to you when you arrive at your accommodation. It permits unlimited travel on Geneva's public transport network UNIRESO: bus (TPG), train (CFF) and boat (Mouettes Genevoises).

V. During the Conference - Miscellaneous

All plenary sessions will take place at the WIPO Conference Hall (WCH). Side events will take place in the Orange, Red and Blue rooms. The rooms for the side events will be small and participants are admitted on a first come, first serve basis. Those who would like to attend a side event but cannot sit into the room, will have a chance to follow the event online by connecting to it with their own devices.

Language:

Simultaneous interpretation will be provided during all plenary sessions in six official UN languages (Arabic, Chinese, English, French, Russian, Spanish). Side events will be in English only.

WiFi:

WiFi is available in all public areas. The access code will be provided to participants at the NDM-UN25 registration desk.
