Ukraine Mine Action Conference UMAC2024

Lausanne, 17-18 October 2024

MASG Meeting, 24 October 2024

Ukraine Mine Action Conference

Lausanne, Switzerland
17–18 October 2024

People. Partners. Progress.

Put **people** at the heart of our action

- Why humanitarian mine action is important
- How humanitarian mine action responds to the economic and social recovery and humanitarian needs
- What the prerequisites for humanitarian mine action are

Emphasize the benefits of **partnerships**

- How to set up a well-functioning institutional architecture
- How to avoid duplicating efforts and how to accelerate progress
- Why there is no «one-size-fits-all» solution and how the exchange of know-how and lessons learnt is key to move forward

Show how innovation drives **progress**

- Why innovation is much more than technology and includes methodologies, processes, policies and financing
- How innovation in other fields serves to address challenges in mine action globally
- How the main obstacles to innovation can be overcome
