**GICHD**

# Strategic Planning Support 2015 – 2019

Country	Strategies developed	Strategies formally approved	Strategies implemented/monitored	Strategies reviewed & improved
Afghanistan	2015	2016	2017	
Angola	2019			
BiH	2016/17			
DRC	2017	2018	2018	
GFFO (donor)	2018			
Kosovo	2018	2019		
Sri Lanka	2015/16	2016	2018	2018
South Sudan	2017	2018		
Tajikistan	2015	2016		
Zimbabwe	2016/17	2018	2018	
<b>Total</b>	<b>10</b>	<b>7</b>	<b>4</b>	<b>1</b>

Strategic planning as key for

- **doing the right job**
- **doing the job right**

“Multistakeholderism” as a key methodological component used all along the way

Strategic planning as a significant contribution to resource mobilization

## Broader Benefits

Increased international funding

Stronger stakeholder buy-in

Greater national ownership

Increased collaboration and coordination

**National Mine Action Strategy**

Greater clarity on remaining problem and how it will be addressed

Enables connecting mine action and the SDGs

Connecting the dots: Increased awareness of the issue and mine action's enabling role

Greater transparency and accountability

## Strategic Planning Support 2020: Overview

Country	Strategies developed	Strategies formally approved	Strategies implemented/monitored	Strategies reviewed & improved
