# Expanded Responses for Victim assistance

- UNICEF expanded victim assistance services to children who lost limbs – through two prosthesis and rehabilitation centers in Aden and Taizz governorates – other support include transports and medication for victims
- By end of 2018, 102 children (79 boys, 23 girls) were provided with prosthesis and artificial limbs and 213 children (127 girls; 86 boys) were provided with assistive devices. Most of these children were victims of Mines/ERW

**With thanks to all donors who have been - and are - generously contributing to MRE and victim assistance in Yemen**
